

Honours Bachelor of Film & Television

Meet our students

Our students are prepared for all aspects of the industry through 3+ years of hands-on, real-world experience that is backed by theoretical learning. Graduates from this program have gone on to work at major television, film, and animation studios throughout North America. During this program, students can specialize in documentary or drama production, scriptwriting, directing, cinematography, editing or sounds.

Learn more about the classes these students take by visiting [the program webpage](#).
